# EARTH DAY

## 16 Fun Activities to Celebrate Earth Day

Celebrating our planet can be just that—a celebration. Here are some fun and easy ways to honor Mother Earth on April 22.

Pick up litter around your favorite public place.

Check out green-themed library books to read to your children.

Enjoy a picnic.

Make a dinner with food from local farms.

See who in the family can take the shortest shower.

Forgo driving if possible.

Donate \$25 to an environmental organization.

Whip up some eco-playdough.

Plant a tree.

Wake up and take a walk.

Go seed shopping for native plants.

Take your kids to the park.

Go shopping at a consignment shop.

Donate old children's books to your local library.

Toss wildflower seeds into an area of your yard.

Skip the gym and go for a run or bike ride.

# DELICIOUS DAIRY

## Discover Dairy Foods

3 Servings: The amount of dairy you should consume each day, according to the Dietary Guidelines for Americans.

### Yogurt

100,000,000

live, good-for-your-gut bacteria (probiotics) in one cup of yogurt.

9

The number of essential amino acids in yogurt. That makes it a high-quality, complete protein—like meat, fish and quinoa.

**SIZE MATTERS!** 8 OUNCES = A FULL SERVING OF YOGURT. MOST SINGLE-SERVING PACKAGES ARE JUST 6 OUNCES, SO CHECK THE LABEL OR BUY IN LARGER TUBS.

### Cheese

A 1.5-ounce serving of Cheddar cheese contains:

306 milligrams of calcium, the same as a glass of milk!  
Necessary nutrients such as vitamin A, zinc and phosphorus.  
10.5 grams of protein, the same as 1.5 ounces of roast turkey.

### Milk

**Milk:**  
The Ultimate  
**100**  
CALORIE\* SNACK PACK!  
\*8 ounces of fat-free or 1% milk.

It Makes Good Cents!

Consider milk your refrigerator's secret weapon—each serving is about 25 cents and provides an irreplaceable package of nutrients.

**The Freshest Beverage**

Milk goes from cow to the dairy aisle in just two days, making it the freshest, most natural beverage.
